

PANTEERA GTS

*Designed by Ghia
for the discriminating driving enthusiast*

Designed by Ghia, the renowned Italian coachbuilder, the sleek two seater, displaying the grace and beauty of a GT thoroughbred, has made Pantera one of the most impressive vehicles of its type and price ever offered in the U.S.

The Pantera GTS, the latest and most exotic edition from Ghia, is specifically aimed at the avid driving enthusiast who demands high standards in motoring, handling, maneuverability and performance.

The sleek exterior design lines of the Pantera are highlighted by a sporty appearance group consisting of a black out hood ● trunk lid ● flared fender extensions ● black exterior molding ● bright exhaust extensions and Pantera GTS lettering along the rocker panels. Interior appointments include a new electric clock. Special Pantera GTS script identification appears on the rear panel and on a new sports steering wheel. The Ghia crest is proudly displayed on the front bumper.

The GTS is available in three exclusive paint colors. Dark Red, Yellow Gold and Silver.
